“ *Mother Barton was a beautiful person with a soft demeanor. She named our granddaughter "Babydoll". We call her that today at age 12. I cherish knowing Mother Lucille Barton.*

“ *My little Lucy Lou, you were such a staple in this family. That beautiful smile will truly be missed. I have so many memories of you from when I was a child growing up, all the great times we had at your house for holidays, Birthday parties, and family get togethers were a blast. Im so glad my kids got to experience having you in their life, great memories theyll never forget. There is so much i can say but it wont fit it all in what seems to be a small tribute to a lifetime of love and laughter. Just know you are truly loved and will forever be missed. Love always Chris-a-Tina.*

“ Aunt Lou was a very kind, loving and caring person. Nothing about her was traditional, she was classy, loved only the best and would never settle for anything less. I have a lot of fond memories from Easter egg hunts to her giving me my first job, babysitting. Aunt Lou had no problem getting on you when she needed to, but it was all in love. She was loved by so many, and we each have very special memories of her. Corey and I enjoyed our visits with Aunt Lou, you will be missed, and we forever hold you in our hearts.

“ *Grandma Barton was a special lady indeed! Kind, but yet stern when it came to voicing her opinion. This incredible lady will be missed. I enjoyed making treats for her when she was involved in the Foster Grandparents program. She will be missed, my condolences to her family.*
