“ I met Marcia 46 years ago at IBM. We became fast friends sharing fun, family, and life's ups and downs. Over the years we sparingly kept in touch but whenever we spoke it was as if we had never been apart. Marcia faced obstacles with a no nonsense manner and was a fierce warrior with this illness. I, like others feel extremely privileged to be able to call her a friend. She was the epitome of what a friend should be. She will be God's most caring and strongest angel. I will always love you Marcia. You can rest now and not worry.

“ I met Marcia at IBM 46 years ago. We became fast friends and saw each other through children, marriage,and illnesses. Having Marcia for a friend was one of the best things to happen for me. No matter how long we were apart, if I called her it was if we were never apart. I will always remember her no nonsense approach to problems and her fierceness when it came to overcoming obstacles.She will be the strongest angel in God's Kingdom. She was the epitome of what a GOOD Friend truly is. You will be missed. I love you.

“ David and Maresha. I knew Marcia from working at NIPR. She was one of the first people who welcomed me to the company. We shared a lot in common and became good friends. I will miss my friend. The listening ear and loving and compassionate advice she gave to me will be cherished. My thoughts and prayers are with you both during this difficult time. Today and always, may the loving memories bring you peace, comfort, and strength. Keeping you close in heart and prayer for the loss of your beloved Marcia.
