“ I remember me and Aunt Cookie and Tee were coming from McDonald's when she lived in my Great Grandparents house some chic who was drunk at the top of the block yelled out If you got life insurance stop the car, and Auntie stopped the car with both of us in it and she got out the car and my Gosh they fought in the street! She tore Auntie's shirt off exposing her goods, she was cracking up as we were going up the stairs to the house. She was so unbothered by the fight.
