“ *My Deacon (years ago Deacons were assigned members to watch over different members & I was blessed with you). You will be greatly missed one of the most "godly" men that was a part of my life. I will miss you at early morning services as well. Let your family stand so close together that one cannot fall without the other. As the song says go rest high on that mountain for your work on earth is done. Deaconess Jan Gatlin and family*
