“ In times like these its always good to know that we can turn to our heavenly father Jehovah. He promises us that one day all suffering, death and pain will be no more. Rev21:3-4. I pray that the many fond memories of Marva will forever live in your hearts and that these memories will provide your hearts with peace and comfort. I pray that you will draw strength from the words found in the bible that assure us that we will see our loved ones again. John5:28-29 says that the time will come when all those in the memorial tombs will hear Gods voice and come back to life!! I pray that you will cling to the wonderful promises found in Gods word and that these words will convince you of the unfailing love of our heavenly father.

“ To the Cole Family On behalf of my family, I would like to take this time to express my personal condolences to the Cole Family. We are truly sadden to hear about the recent passing of Marva Y Cole. Our thoughts and prayers go out to the family and friends during this time of great sadness. May all please draw comfort from this loving promise from God where He assures all grieving hearts that our love ones will stand up in life again. This promise can be found at John 5:28-29. As this text states, God would call to those in the grave to stand up in life again. Really from the reading of these verses, we will see that God is giving us His personal guarantee that Marva, and billions of others will stand up in life again. So really the age old question regarding if a person dies can He live again will be answered on a mass scale, yes. We will witness with our very own eyes our love ones standing up in life again. Until the resurrection take place, we can use this time to learn all that we can about this arrangement from God. Here is just one such example that is recorded at Acts 9:36-42. I hope that all will get a chance to see how the verses apply to Marva, and a great host of others who await their awakening from the deep sleep of death. Yes may all please keep this promise of God near your hearts at all times. Remember that it is impossible for God to lie. (Titus 1:2)

“ My prayers are sent to Marva's family. I am truly grateful to have had the pleasure of spending the last 3 years with Marva at Trinity Nursing home as she was a wonderful roommate and friend for my mom. We shared stories, watched Family Feud and her love for bbq. All my best, Barb and Mom
