“ I'm in the same age group of his younger sisters Shelia and Kim Perkins, we all grew up on 40th Garfield. Marvin was a very sweet and caring person. He always made time to talk to people. Well dress, cool, laid back soft spoken. He served our country, and for that we are grateful. He and I were neighbors for a couple of years at the M.L.King Gardens, sharing stories, meals, discussions about church and "the block" and just watching out for each other. Marvin will be greatly missed here on earth, but he is home now. See you later friend!Michelle Thompson-Ross
