“ I remember going to Ms. McCoy's house sharing laughs, recipes and good food. She would be in her office chair rolling from stove to fridge. Then she would ask Tracy or me to hand her something. We would look each other like, " didn't she just roll pass there?" and start laughing. Tracy and I would go to the store for her and we had to make sure we got exactly what was on her list or we had to take it back. I'd bring her homemade rolls and she feed me...lol Thank you Ms. McCoy for always being kind, full of laughter and always sharing your table.
