“ Thoughts and prayers are with you all during this difficult time. My family sends love, understanding and support even after the services. I will remember how Mary used to say my name and the big hugs she used to give me not to mention her smile that was infectious. You will be missed but certainly not forgotten. No more suffering, no more pain! Keep your heads up Mosby family and hold on to the great memories ❤️ Love you all, Trina!

I thank god for knowing such a strong woman. She was a amazing example of a loving mother who loved her family with a determination and sacrifice that as a woman and mother I myself looked on her as a role model. She was always ready with a smile on her face and a hug if you deserved it. If not then bless your heart cause she was a straightforward sharp momma when she needed to be . I thank god for her daughters I am lucky enough to have seen their love and compassion. She has always been a proud momma and grand momma and great grandma. From my heart to gods ears peace be with you. This life on earth puts us through a lot of pain. I believe in Gods promise as I know you do. Your family is strong and capable because of you. God bless you and thank you for always making me feel like I belonged.
