“ "If you're tired Buddy, go on and rest. I'll look after them 'ol kids, and I'll catch up with you later." Those were the last words Ms. Mary Lou spoke to her "Buddy" (My Momma) on this side. From that day in 2011 until recently when her health failed; she's kept her promise. There is no doubt in my mind, that your Buddy was among the host welcoming you home. Although our hearts are broken, your kind and gentle spirit deserves the rest and rewards that you've laboured for. Thank You For Being A Friend
