“ To the Nicholson Family: We are sorry to hear about the recent passing of Mattie L Nicholson. Our thoughts and prayers go out to the entire family and friends during this time of great sadness. May all please draw comfort from this wonderful promise that God reveals to all those who are grieving at heart over the loss of a loved one or friend. Please take note of how this promise will make a strong impact on the lives of all of our departed loved ones. God's Word reveals this promise. He states that God would call to those in the grave, and that our departed loved ones would hear His voice, and stand up in life again. (John 5:28-29) Yes what a wonderful promise. From these remarkable words, God is giving us His personal guarantee that Mattie, and millions of others will live again. That Mattie would be reunited back with her many family members and friends. So although all grieving hearts have entered a period of darkness, the days of brightness are sure to follow. The reading of all nine accounts in the Bible that speak about the resurrection blessing helps to provide even greater comfort in this promise from God. Here is just one such example that is recorded at Acts 9:36-42. May all please get a chance to see how the verses apply to your loved ones. So please keep this promise of God near your hearts at all times. Remember that when God makes a promise, it always becomes a reality. For God does not lie. (Titus 1:2)

“ To the Nicholson Family: I would like to take this time to express my personal condolences to the family of Mattie Nicholson. Our thoughts and prayers go out to the family and friends during this time of great sorrow. May the family and friends please draw comfort from this loving promise from God where He assures all grieving hearts that the days of grief and sorrow will come to its end.

These comforting words are recorded right in the pages of the Bible. Let's see how the promise will apply to Mattie, and a host of others who have fallen asleep in death. The promise states that soon God will use His great powers to call to those in the grave, and that our love ones would hear His voice, and stand up in life again. (John 5:28-29) Oh what a remarkable promise this truly is. Here is an arrangement that many would doubt could ever happen. Yes from this promise, God is giving us His personal guarantee that Mattie, and billions of others who have died will live again. Yes the age old question regarding if a person dies can He live again will become a reality. We understand that too many this may sound too good to be true. God understands the thinking of man. So He has lovingly taken the time to preserve nine accounts in the Bible that speaks about this wonderful blessing soon to take place earth wide. Here is just one of the example. It is recorded at Acts 9:36-42. I hope that all will get a chance to see how these verses apply to the restoring of life back to our love ones. So in closing we say please keep this promise of God near your hearts at all times. Remember that when God makes a promise, it becomes reality. For God does not lie. (Titus 1:2)

“ I am truly sorry for your loss. May the God of comfort give you peace and provide the help you need during this difficult time. What comforts me is God's reassuring words at Revelation 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former this things have passed away."
