“ To the Scott Family: We take this time to express our personal condolences to the family of Merrill E Scott. Our thoughts and prayers go out to the family and friends during this time of great sadness, To all grieving hearts we encourage all to please reflect upon this loving promise from God where He assures all grieving hearts that there is a future hope for our love ones. This promise is recorded loud and clear in the pages of the Bible. For a brief moment, I would like to share this promise with you. First of all God is well aware of the many things that has caused His earthly family pain and suffering. So at Revelation 21:3-4 He tells us that He would soon rid the earth of all sicknesses and death. Can you envision living during a time like this when no person will ever get sick, grow old and die. There will be no need for doctor or hospitals, and yes graveyards. Gone from from each humans body sin and imperfection will have been removed. However there is yet another promise that God wants all to be made aware of. This promise deals with the restoring of life back to those who have died. At John 5:28-29 the promise is revealed to all who are grieving at heart over the lost of a love one. There God tells us that he would call to those in the grave, and that our departed love ones would hear His voice, and stand up in life again. Oh what a comforting promise this truly is. God is giving all His personal guarantee that our departed love ones will be reunited back with their many family members and friends. Only God can make such a promise, and then to carry that promise out to its end. This is possible because God is the source of life for all creative life.(Psalm 36:9) Does this promise sound to good to be true? God understand our thinking, seeing that we have been seeing our love ones die right before our very eyes for a long period of time. So to help all to develop strong faith in this promise, God has taken the time to preserve nine accounts in the Bible that speaks about the resurrection blessing from God. Here is just one such example that is recorded to provide true comfort for all during this stressful time period. It is recorded at John 11:32-44. May I again use this time to encourage all to see how these verses apply to the Scott family, and other families who have lost any in death. Yes the resurrection to life will take place. We have God's personal

*promise. Yes it is impossible for God to lie.(Titus 1:2)*
