“ I love you my sister, you were the funniest and most realist person that I know! My heart aches for you!! I need to talk to you, I have sooo much to tell you! Even when I didn't see the good in a person or situation, you did and that's what kept me grounded! I can't believe our time on earth has come to an end so soon!! The bond we share cannot and will never be broken!! I'm messed up behind this and I'm begging God to just give me the strength to push forward!! I just don't know what to do right now!!

“ We little knew that morning that
God was going to call your name
In life we loved you dearly.
IN DEATH WE DO THE SAME
it broke our Hearts to loose you,you did not go alone
A part of us went with you,
THE DAY GOD CALLED YOU HOME
You left us peaceful memories
Your love is still our guide
And though we cannot see you
YOUR ALWAYS AT OUT SIDE
Our family chain is broken
And nothing seems the same
But as God calls us one by one
THE CHAIN WILL-LINK AGAIN!!

“ Auntie you really broke all of us with this one, we never imagine losing a loved one but a loved one like you; who was so full of life, so full of joy, the life of the party, the one who always had jokes to tell. Now who ima call or who gone call me at midnight & then fall asleep on me 😭. I can definitely say your presence will be missed auntie. But better believe your legacy will live on !

“ A Sister’s Love

A sister’s love is a sacred and enduring bond, a reflection of God’s own love for us. Miko exemplified grace, compassion, and faith throughout her life, touching all who knew her with her gentle spirit and unwavering devotion. I had the honor of loving her first, and I will miss her deeply for all the days of my life. Though her earthly journey has ended, I find peace in knowing she now rests in the eternal presence of our Lord. Her memory will forever be a blessing.

“ Sister!!!! Why did you leave me?? This feels like I’m stuck in a bad dream.. We still had so much stuff left to do together!! This is still so surreal to me that you are gone and I’m still at lost for words which don’t happen often!! My heart is literally broke sister!! I’ll love you forever until we meet again! Little sis ☐
