“ To the Sampson Family We are truly saddened to hear about the recent passing of Minnie Sampson. Our thoughts and prayers go out to the entire family, and friends of the family during this hour of great sadness. During this time period we have much to think about, especially when we think about the future hope of those who have fallen asleep in death. One such question deal with what does the Bible says about the future hope of our loved ones standing up in life again. Many people are truly surprised when they learn about the resurrection hope that our departed can received from God. This promise is recorded so that all read about the future [promise for themselves. The promise is recorded at John 5:28-29. In these comforting verses God tells us about a future time period when He would cause a calling to go forth to those in the graves to stand up in life again. Yes, what a truly loving promise this is for all to hear and read about. Why just from this one promise, God is giving us His personal. Guarantee that the restoring of life would surely take place for those who have fallen asleep in death. Yes we understand that many will have a lack of faith in this promise. However we must remember that God is the source of life for all living things. ( Psalm 36:9) Even if a person dies, God has the desire and the power to make a person whole again, and He will. Until then, God has taken the time to preserve nine accounts in the Bible that speaks about this grand blessing that will soon take place earth wide. Here is just one such example that is recorded at Acts 9:36-42. I hope that all will get a chance to see how these verses apply to Minnie, and a great host of others who await there personal awakening from the death sleep of death. So in closing we encourage all to please continue to search the scriptures for even greater comfort that God provided for all grieving hearts. May we always remember that when God makes a promise, it always takes place. For it is impossible for God to lie. (Titus 1:2)
