During her high school years, Miranda was a member of the Honor Roll, A+ Program, Varsity Basketball Team, Band, Marching Band, Volleyball Team and Track and Field Team. After graduating from Grandview Senior High School in 2015, Miranda attended Longview Community College, with the goal of pursuing a career in Physical Therapy.

Miranda's vivacious spirit and love for life spoke volumes of her character. She was strong-willed, energetic and determined, never shying away from a challenge. She had an infectious smile that lit up a room. Miranda was beautiful, loving and kindhearted. She saw the best in others and sought the best for herself. Miranda was intelligent and understood the power hard work. She worked diligently to be a good student and athlete. She pursued peace

and persistently sought it for others, even stepping in to mediate disputes among her peers. Her independence and maturity led her to travel around the country which she enjoyed immensely. Miranda was also funny and fun to be around. She had a great sense of humor and loved pulling pranks. She would laugh hysterically as people fell for her tricks. She was a precious daughter and granddaughter, a doting sister, a loving niece, a dear cousin and a devoted friend. She brought joy to all who were blessed to be in her presence. “ I worked with Miranda, didnt matter how my day was going she always spoke to me and broke the walls put up by everyday struggles, when she left to go to Georgia I asked about her frequently making sure she was having fun. I unfortunately just found out today that she had passed away, I am terribly sorry for the family she leaves behind and the faces of the people she would have cheered up. My best of wishes to her family.
