“ I met Corina at the YMCA Water Aerobics Class. She was always a joyous person who was easy to talk with while exercising. Corina also came to few of my cookie exchanges I held in November for the holidays. She also came to a backyard gathering of the water aerobics participants. We knew of her hip replacement and she borrowed some equipment my husband, Bill, used in his hip replacement recovery. We are both very saddened to hear of her passing. I hope with time your memories of her will continue to give you joy. Ann and Bill Griffiths
