“ *Dear Family & Friends of Jean I want to send my deepest sympathy
for your loss. Jean or I always called her my Grams was an
amazing light. She had a spirit of an angel. I worked with her at
Saint Lukes for many years till she retired. She trained me when I
started in 2004 & she became more than a coworker she was like
family to me as she called me her grand & she was my Grams. She
was always so kind to everyone she touch & she always had this
uplifting spirit. She had an amazing way of helping people problem
solve a situation with her wise words & kind spirit. I was never so
blessed till the day I met Jean she will forever hold a special place
in my heart. I know we have given God an angel that he sent down
to touch so many of us & I thank him for the blessing to have met
her. Thank you Jones family Jean was an amazing spirit & I would
not be who I am today without her. Love Felicia Snead
