“ *Aunt Nellie was my nanny from the time I was a few months old until I was about 2 1/2 years old. During that short period of time in my life she loved me so much and so well that she has always held a special place in my heart. I am sure that it was her sharing the love of Jesus that drew me to my savior at a very young age. I have not seen her for so many years. Just last year I was able to contact her via phone.
