“ I am so sorry to learn about the death of your loved one Genae. I know that this is a difficult time for you but please know that one day all suffering, pain and death will be no more. We will have the chance to see our loved ones again! Can you imagine the joy that will fill our hearts at that time? How good to know that our loved ones will never be forgotten by our loving heavenly father. He knows and understands the many pains that we experience in life. He will never leave us or forsake us. Never forget that we all are precious in his eyes and that nothing can ever separate us from his love. Romans 8:35-39. May the God of all comfort, Jehovah be with you to guide you and help you to endure until the end... Once again I am sorry for your loss!!

“ Sending condolences to the family. Death is an enemy we all have in common. We look forward to the time when death is swallowed up. (Isaiah 25:8) and our loved ones asleep in death are restored back to life. (Acts 24:15) A promise soon to be fulfilled. “Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment.” - John 5:28,29
