“ To the Charles Family We take this time to express our personal condolences to the family of Nikita L Charles. Our deepest thoughts and prayers go out to the entire family, and friends of the family. As difficult as this time may appear, the days of brightness is just around the corner. From the sacred writings, God has revealed many wonderful promises that will provide true blessings for all grieving hearts. From the scriptures, God has stated that He would soon rid the earth of all things that causes sicknesses and death. ( Revelation 21:3-4) Just imagine in the days to come, no person will ever get sick, grow old and die. However there is yet another promise that God wants all to be made aware of. That promise deals with the restoring of life back to those who have died. It is recorded so that all may draw true comfort in reading it, and understanding that our departed love ones have a host of living again. The verses are recorded at John 5:28-29. In brief, God tells us that he would cause a calling to go forth to those in the grave, and that our love ones would stand up in life again. Yes how comforting these words truly are. God is giving His earthly family His personal guarantee that life for billions upon billions of people from around the world, from time past until today have the hope of living again. Yes you will have more than just fine memories of Nikita; you will have the real person back among the living. Oh what a joyous time period this will prove to be. This arrangement will take place because God is the source of life for all living things, so the restoring of life back to those who have died is surely something that God can do. ( Psalm 36:9) So in our hearts, all should look forward to this wonderful blessing from God. Then to help all to develop strong faith in this promised blessing, God has preserved nine accounts in the Bible that speaks about the future resurrection from God. Here is just one such example that is recorded at Acts 9:36-42. I hope that all will get a chance to see how these verses apply to all of your love ones who have fallen asleep in death. Yes please allow all accounts to build up your faith in the resurrection promise from God. Remember that when God makes a promise, it always becomes reality. For it is impossible for God to lie. (Titus 1:2)
