“*Ninette and I were classmates at St. Teresa's. Always had fun in Chorus and cla she's and taking the city bus to and from school. She always made me laugh. I considered her one of my best friends in school. Fast forward 28 years and my husband and I were lucky to have her as our realtor. I still live in the hour she found us. So enjoyed reconnecting with her at class reunions, the last was our 50th. I hope the family knows how much she was admired and loved.*”
