“ I met Oscar about 15 years ago while working with his devoted wife . Oscar's commitment and unfailing love for her has left a life long impression on my heart.. Oscar's wit and spark was still very much present until the end . Thank you for all the wonderful memories.

“ Dear Uncle Oscar, I shall miss you very much. I will also miss your calls for medical advice which I gladly enjoyed doing. I remember the days of you coming to Barr Street on your motorbike and always telling me to be careful not to get burnt with the exhaust pipe. Then there was the time you visited us in Queens, New York and told me if I ever needed money to borrow to ask you. You were always a cool guy; come to think of it, I have never seen you lose your "cool." I pray you have a peaceful journey now in the afterlife safe in the arms of Christ our Savior. You are already missed. Dr Peter Bhiro
