

Mr. Paul Edward Scott

July 14, 1948 - October 27, 2024

Paul E. Scott passed away on Sunday, Oct. 27, 2024, at St Luke's Hospice House in Kansas City, Missouri. He was born on July 14, 1948, in Kansas City, Missouri to Cornelius Scott and LaJoy Scott.

Paul grew up in Kansas City Missouri. He graduated from Central High School where he participated in ROTC and the IBM program. He excelled in the ROTC competitions.

After graduation, he joined the United States Marine Corps, serving in the Vietnam War. He was awarded the Purple Heart for his bravery. He later attended the University of Missouri Kansas City, Missouri. He was employed at IBM as a technician and later as a contractor involving electrical and electronics work.

Paul was a grill master. His love for cooking and caring for others was his motivation for being a member of The Breakfast Club, a unique and caring group of guys who delighted in cooking. Participating in The Breakfast Club allowed him to show off his talented cooking with the community as well as family and friends. You could always count on Paul to show up at family reunions.

Paul was preceded in death by his father Cornelius Scott; and his mother

LaJoy Scott. He was also preceded in death by his brothers Phillip Scott, and Cecil Scott, and sister Jackie White.

Paul is survived by his sons, Atoh Scott, and Isaac Scott. He is also survived by his brothers, Bruce Scott; and Marion Scott; and his sisters, Barbara (Robert) Cahill; and Altha Scott. Paul is also survived by Charlene Hunter and family. Nothing lit up Paul's eyes more than his love for his grandchildren. “ I carry with me (as well as my family members) good and lasting memories of our youthful years during the late 50’s and 60’s, living and growing up on 38th and College. Your visits to our home (just across the street) were anticipated, welcomed and enjoyed. You really enjoyed retreating to our basement and just listening to music. A lot of times were spent socializing, playing cards with our other youthful acquaintances. Later, you disappeared for many years and your absence was greatly missed. During the early 2000’s our paths crossed, again, as adults. I will always reflect, remember, and treasure the pleasant memories and times we shared. You were an especially good person to know and most definitely a special part of the tapestry of my life. Rest peacefully, Paul.
Always, Sharon

“In loving memory of my dear brother, whose laughter and teasing will forever echo in my heart. I’ll miss our phone calls, where you thought it was so funny to call me ‘big sister,’ despite you being taller than me. Your unique, sometimes off sense of humor made me laugh out loud. We didn’t get to take that trip to Africa we were planning, but when I do go, I know you’ll be there with me in spirit, guiding my steps. Thank you for always making my visits so memorable. You are deeply loved and will be missed by your family and friends.”

“Paul, you continue to be a bright light in our hearts and in our lives. Meeting you was such an incredible gift. Such deep and tender thank you for the love and kindness you brought to our hearts and our days. We miss your laughter, although it still rings in my ears. We miss your tenderness and care and how you drilled into us the fact that we were not alone. You modeled family for us and my daughter will always remember how you took the time to know her, to teach her backgammon, and the way you encouraged her to become her very best self. We love you deeply and trust that you will always be with us. You are loved.

“ Thank You, Marine. You were always the tip of the Spear. But it was your loving kindness and deep commitment to the well-being of others that made you a truly Brave Warrior and a Grandpa, worthy of affection. I loved you and my family and I will never forget how you cared for us....and we for you.

At Ease, Marine. Your Tour has been honorably completed.
