“ To the Carter Family I would like to take this time to express my personal condolences to the family. We are sorry to hear about the passing of Pauline Carter. Our thoughts and prayers are with the family and friends. Please draw comfort in knowing that God will soon restore life back to our departed love ones.(Acts 24:15) Yes He is the source of all created life. Only God has the power to restore life, and He will. To some this statement may seem too good to be true. God understands how we may feel; after all we have been seeing our love ones die right before our very eyes. So to help all to develop strong faith in this wonderful promise, God has preserved nine accounts that speak about the resurrection blessing. Here is just one of the accounts recorded at Acts 9:36-42. May I please encourage all to see how the verses apply to Pauline, and to billions of others who have lost their lives. Oh what a grand time period this will prove to be as people from around the world will witness with their own eyes their love ones standing up in life again. Yes God makes this arrangement possible. He is the source of all life; and has the ability to restore what was taken away. So may all keep this promise of God near your hearts at all times. Remember that we have God's personal promise. Yes it is impossible for God to lie.(Titus 1:2)
