“ *Aunt Pearl was a very loving ,caring and sensitive person with a big heart who I hope is in a much better place with God, and my wife Shell. Thank you very much for being there for her during her time of traumatic stress ,and prior to her passing. You were so much supportive of her and I , and being such a good, considerate friend to be there to listen and provide emphatic feedback when it really was so much needed. Thank you again so much , in reiteration Aunt Pearl; for being a loving aunt, friend and considerate overall blessed relative. Take care and may the Lord take care of you as he has with Aunt Jeanne, Shelly A.(Garcia), Morris our other beloved deceased Morris relatives. Love~, your nephew William P. Morris*
