“Wow, where do I begin? Grace Assembly was my very first Church Home, I Was a New everything, New creature in Christ, New Wife, New Mother etc. My Mother died when I was 6 years old, so being a new Mother myself came with much trial and error, Marriage was not something my family had a lot of knowledge about either we rarely even really seen marriage close up, period. Then came Sister Ramphal, clothed in humility with a meek gentle loving spirit. She would pull you aside and whisper knowledge in your ear, She offered what no one has ever offered me before as a young woman 'Direction' She had a way of talking to you and praying for you at the same time that made you feel cared for and heard. I Always said if I ever thought for a moment that I missed the Rapture, I would reach out to Sis. Ramphal and if she was still here then I was good!!! Fly high Sis. Ramphal, and hold on to that big Crown with all the jewels... You made it in....

“ Sister Ramphal was a sweet, kind and gentle Lady. She was always displaying the Love of Christ. I remember when I first got married, my husband said his favorite dish was Sister Ramphal's beef curry . So I asked her if she would teach me how to make it. So she invited me into her home and kitchen and showed me step by step how to make it. And it was delicious!!! And from then on she held a special place in my heart. She put on full display the scripture in Titus 2:4-6 That states that the older women are to teach the younger women how to love their husbands and children. And she truly did love her husband ,children and grandchildren. Truly she was a Proverbs 31 woman!!! And I will never forget her.

To the Ramphal Family, May your mother's love continue to guide and comfort you always, Much Love to you from Barbara Nelson and family.
