“ *I will always cherish the memories of you grandma..you have been in my life for 38yrs now before your passing..you are the greatest grandmother anyone could have known...The hard life I've had in the past,with you by my side gave me inspiration to hold on and keep my head high no matter what comes my way...All I ask for you is to be there once it's time for me to come home,which I know you will because you've never let your grand babies down...May god forgive us all,you are my world and I know he's right by your side...I love you grandmother,I really really really love  you...* ”

Momma, I really really miss you. Thank You for being there when life got challenging for me. You always said you love us no matter what was going on. I Grateful GOD allowed us time together; for you to share your life challenges that helped me understand why you were so angry. Most of all I'm Grateful GOD gave you peace before you left to go to Heaven. Thank You Momma for Your Love.
