“ *I don't understand this man he was married to a woman called Hellen and none of his family mention that*

“ *While I never met Pierre, I feel a little close to him because he attended Divine Heart Seminary and he died rather young. I am an SCJ and know many of the members were students there. May he rest in peace and may all his family and friends find peace. He was a very good looking man and, I must say, Pierre is a great name.*
