“ Q: *How did you meet Mr. Preston?*

A: I grew up next door to Preston and Terri. And, we all went to high school together. Preston was one of the reasons Terri and I could go to parties. Our mothers felt safe if Preston was there and brought us back home. He was like another brother to me.

Preston was his own person never following the crowd. Preston was real and what you saw was what you got. Funny, always joking, and very silly.

He loved his family and I guess his life long neighbors like me and Greg....
