“ There are so many fond memories of Quincy. So many parties, so many trips, so much laughter and so many barbecues. I can't list a special time because it was always a great time with Quincy. He had such a good heart and a fun loving spirit. He was a good and true friend. I am glad he was a part of my life and my family's life for so many years.

“ Praying for you all Family. Quincy was like a second dad, in a sense. He and Sue invited me into their home to live when I was about three years out of high school. I was so homesick. He looked at me one day and said, "you're ready to go home ain't you" I said yeah...on the road to Oklahoma we went...lol...I'm going to miss that good ole barbecue of his, but mostly his inviting disposition and his love for his family. He would help any of us in any way that he could. Sue, Keisha, LaRhonda, Angie, Inell, the grands, great grands, and all of his many relatives and friends praying for us all during this time of bereavement. I will miss you and I Love You!!
