“ *I had the pleasure of meeting this young man and I was unaware of
his passing until tonight. This hurts me to my soul he was a very
bright and kind... In a very short amount of time this man grew to be
one of the very best people I know.. the world is Not knowing the
kind of light that was taken away.. the good must die young because
he was one of the best.. to his family I cannot imagine the loss you
feel... He was a beautiful soul so you all should only look down to
pray .. be proud of the man he was he deserves it.*
