“ Robert, I miss you and will forever miss our phone conversations when you would just call and check in on me. We were co-workers and became friends. The best kind of friends, the "I really do care about you friends" The I need to run something by you or I just need to chat, the "if you ever need anything call me" You always called me a few times a month. The last time you, me and Anna went to Jason's Deli, your favorite lunch place, we bought you lunch. Your friendship meant so much to us. There is a void in my weekdays now that I will not have you in my life to "chat" May god bless and keep you, forever in my heart. To a loving, caring and amazing man,
Love, Kaye
