“ Hi Uncle Robert, 🙌 Although, I have you in my prayers and talk to you on a daily basis I wanted to come to your tribute wall to leave you a message of thanks. Uncle Robert thank you for filling in the place of a father for me when my father, your brother died. I will never forget how you stepped in and shared your family, your stories and your adventures with me. I will never forget how your face would light-up when ever you spoke on God's word and how much you enjoyed sharing and teaching it. Thank you for showing me that there are still good people in the world with empathy and compassion and kindness. Thank you for showing each attributes of the Fruit-Of-The-Spirit in your life. I have so much to thank you for but most of all, thank you for you just being YOU! You are a special gift from God. I Love and miss you! I will talk to you later okay!
Forever, Your Niece! 😊
