“ Ron this is so hard for me. When I had a dream about you last September God was telling me that I needed to hear your voice one more time. That was the last time we laughed together and shared memories of our pass. I didn't know you were going to gain your wings so soon. You will forever be in my heart. Your Navy buddy and dear friend.

“ I served in the Navy with Ron back in our younger days. I was saddened to hear of his passing. Far too young and my heart breaks for his family. May our Lord rest Rons soul and may he bring peace and comfort to all family and friends. Amen.

“ My condolences to your family. I was stationed in Holyloch, Scotland with your father. Your dad was very instrumental in helping put Site-One together. He built a web-site for us. It put us together collectively to share pics & stories (before fb). We will always be GRATEFUL for him! May he rest in Heavenly Peace. May GOD continue to comfort you in the bosom of his arms.
