“ My auntie was and still is a wonderful lady and she and uncle JC had a beautiful life together and they were Blessed by our Father in Heaven and I am here singing this song Deuteronomy 32 that was the last thing given to Moses for us all to do. I'm hoping that my cousins know that she's in Heaven singing that song at the doorway where our Messiah stands to let her in singing so she can meet Uncle JC and give him a hug for each of us that loved them both deeply. I hope this following prayer will bring warmth to each of my cousins who barely know me now. I hope they can visit me when I complete my move to South Africa.

*"Blessed art thou, O Father, Father of our fathers, and worthy of praise; and thy name is glorified for ever. And we Bless you Father and all your Sabbath Days and Feast Days which are also Sabbaths! Please teach me and my family to serve you better and respect one another with love and truth!*

*For thou art just in all that thou hast done to us, and all thy works are true and thy ways right, and all thy judgments are truth. Thou hast executed true judgments in all that thou hast brought upon us and upon Yahrusalem, the Holy city of our fathers which I am trying to locate, for in truth and justice thou hast brought all this upon us because of our sins- and we love serving you Father, singing and praying to you anyway! We do that unconsciously and naturally! We sing because you are inside us and it's natural for us to do no matter how dumb we act! Aunt Rose sung and prayed with us in their house in Kansas City with Uncle JC and their leadership enriched my life all these years. In Chicago she would pray with us when she visited and we loved and admired her. We want her presence to share Father's love with her and uncle in Heaven and also in the promise of the Land of Milk and Honey that Father swore to our Ancestors!*

*May our family love blossom and grow because of the love she shared with us all! I Charles Miller living here in New Mexico before my moving want you all to know you are always welcome in my home where ever I am-- Loving you all always!*

“ My heart goes out to the entire family of Mrs. Rosa Robinson. I remember her being always so sweet and nice with a smile on her face. I remember her on the trip to DC and spending time with her son who came along on some of our tours. Prayers for the family.
