“ A Life to Remember! God has called a wonderful man home who can never be replaced. It is so hard to say goodbye when I have known Rubin since elementary school and graduated high school together, . Growing up in Bartow was a blast. Everyone knew each other and our parents promoted a safe environment for all children and neighbors. I am grateful for the the richness of his life, the kindness of his heart and the love of his family. I encourage the family and friends to keep the memories of Rubin and Linda close in our hearts as they will never be forgotten. Joyce Bentley Class of 74. 74 Unlimited!.
