“ *Grandma, my heart is so heavy knowing you're no longer here with us. You were more than just my grandmother you were my safe place, my teacher, my biggest supporter, and one of the strongest women I have ever known. You taught me what it means to be resilient, to stand on my own two feet, and to keep my faith no matter what life throws my way. I'll always remember your warm hugs, your stories, your laughter, and even your tough love when I needed it most. You gave so much of yourself to your family, always putting others before you, and I'm forever grateful for the love and wisdom you passed down to me.*

I promise to keep your memory alive in everything I do, to make you proud, and to carry the strength you gave me into the rest of my life. You were truly one of a kind, and the world feels emptier without you in it. I love you beyond words, and I will miss you for the rest of my life. Rest peacefully, Grandma until we meet again.
