“ Hello Family! I met your mother, "Queen" Mrs. Strong, over 50 years ago at her house on Brooklyn, b4 some of you were even born. She was kind to me and a good talker. I never thought she would live 96yrs. I am so proud and I honor her for taking such good care of her family! When I heard she had 13 Children I was amazed! 8 sons and 5 daughters. All of you were so blessed 2 have her here 96yrs, with no suffering and a good mind. I was shocked and had 2 shed a few tears when I heard she had passed but thank God she is in peace! May each of you connect and spread more love so she will be a happy Angel of her precious children! I will continue 2 pray as I send my Heartfelt love condolences 2 each of you! Be blessed! "Happy Homegoing Mother Strong!"

To the Strong family:  
May the love and peace of God keep your hearts and minds through Christ, during this very difficult time of losing your sweet mother. She will be greatly missed after having had her for 96 long years, but thank God for those precious memories that will linger and bring you joy and laughter in the days ahead. Though I don't know all of her children personally, you are in my prayers and I know you will experience the peace and comfort that only God can provide.

“ *Mother Strong was the sweetest mother I’ve ever known. I had the pleasure and honor of meeting her through her son Dennis. I use to be scared to go in the house because I knew she was going to let me have it when I would stay away too long. She will truly be missed and she will always have a place in my heart. Love you mother Strong. From Nikki*
