“ To the Sanders Family: We take this time to express our personal condolences to the family of Ruthy Sanders. Our deepest thoughts and prayers go out to the entire family during this time of great sadness. No there is never a welcomed time to hear about the passing of anyone in death. Death continues to serve as a reminder of how far the human family has fallen from God's original purpose. Despite this falling, God has never turned His back upon His earthly family. He has taken steps to redeem mankind back from sin and death. He has also revealed to us that there is a future hope that persons who have fallen asleep in death would have the hope of living again. This comforting promise is revealed at John 5:28-29. In this verse, God tells us that He would cause a calling to go forth to those in the grave to stand up in life again. Just think, that in the very near future our departed loved ones will have the hope of living again. So, we are all confronted with this personal question, do you have faith in this resurrection promise from God. This resurrection promise will surely take place because God is the source of life for all living things. (Psalm 36:9) Yes, God has not forgotten about persons like Ruthy, and a great host of others. He wants people everywhere to develop strong faith in this future promise. So, God has taken the time to preserve nine accounts in the Bible that speaks about the resurrection blessing soon to come. Here is just one such example that is recorded at Acts 9:36-42. I hope that all will get a chance to see how these wonderful verses will be applied to Ruthy, and billions upon billions of people who have fallen asleep in death. So in closing we encourage all to please keep this promise of God near your hearts at all times. Remember that when God makes a promise, it becomes reality. For it is impossible for God to lie. (Titus 1:2)
