“ In remembrance of my dear classmate and friend, Barbara (Bobbie) Belton (sister of Sallie); and in the memory of your mother, Helen Belton and my mother, Dinah Sampson Collins (who were dear and close friends from childhood back in Texas--my mother often spoke of Ms. Helen as being the only one she knew in Kansas City who went to school with her and grew up with her from Texas--I thought that was phenomenal), I extend my love, prayers and sympathy to the family due to the homegoing of Sallie. She left a legacy of love and service to our God! May precious memories, and the love she shared with family members and others; and the ever existing love of our Lord and Savior lift you and sustain you in the days ahead. We only have to look to the future....what a day of rejoicing....when we ALL get to Heaven! God bless you and keep you! Elder Mary Collins-Hayes, KCKS
