“ On behalf of the Society of Air Force Nurses, please know we are mourning with you the death of our sister nurse, Major Shelene Hutt Khiev. It takes a patriot, willing to give of themselves to other human beings in their time of need, to step forth and join the ranks of our U. S. Air Force Reserve Nurse Corps. Your beloved one will be mourned and missed by many who served alongside her. We will include her name in our Memorial Program of the Society of Air Force Nurses in commemoration of her life and service to our nation. With Sincerest Regards and Gratitude, Wendy S. Collins, Lt Col, USAF, Nurse Corps (Retired)

“ Shelene was one of the most strong, independent, passionate and caring women I have ever met. I had the honor working with her and her Dad Bobby, and they both had the best work ethic and strong personalities you could ever witness. She was there for me during my first cancer with amazing moral support, and I am forever grateful for her and I will miss you for the rest of my life. God Bless you my Dear Friend and please give Bobby and Brenda a big hug for me!!

“*Shelene’s presence will be missed in this life. Her big smile and memorable laughter still rings in my head. I met her during grad school and would later in collaboration as Nurse Practitioner colleagues caring for veterans. My fondest memories were those when we studied together before those big exams, kids sleeping nearby and the “shared knowing” that we had to work harder than most to reach our goal—we did reach that goal. Shelene went on to achieve so much more and now she gets to rest, perfect rest with The Lord. For the family, I pray a peace that surpasses all understanding.*

“*A friend of WHS 89. That laugh that rang through the halls of school. Shelene was one of a kind and never forgot people along the way of her journey. She excelled in everything that was placed before her....dance class, track, R.O.T. C, track, choir, cheerleading, and the list goes on and on with her achievements. Shelene we are going to miss you so much. Our All Class Reunions will not be the same without you. Fly High and rest in the arms of our Master. May God grant peace with her entire family and dearest friends.*

“ I’m reminded of the countless number of 6am cups of fresh brewed coffee in my office! We shared tears, laughter and quotes of affirmation before we started each work day at KCVA! My heart is heavy for this loss in the natural but rejoicing that she is resting in the presence of our Lord and Savior Jesus Christ!

“ Shalene and I met at VA Hospital in the gym. She was the one that got me actually wearing workout gear. She had a beautiful sweet and genuine spirit and the most beautiful smile, her whole face lit up. One time when giving me a note she also gave me a two dollar bill. Her words were "Ms. Joe when you see it think of me and don't spend it". What wonderful footprints Shalene left in my life. I will be praying for your family. Jolene.
