“ *What can I say, she is the ultimate example of what a friend, sister, confidant, I could go on and on. I'm at peace that she's free from her physical pain, and I pray that your soul is at peace. I will miss seeing your face, rubbing your feet, and cleaning your face. I know I annoyed you at times but I just wanted you to know how much I cared. I hope I was able to return just a small portion of the love you so freely gave to me and my family. Rest well sis, Love Always Pam*

“ *Sonya was a lovely and loving woman, mom and sister -friend. She was as beautiful at heart as she was on the outside. She was an instant friend if you were fortunate enough to meet her even once. I'll remember those gifts as I remember her smile and infectious laughter. Sonya your kindness to me and to my family made you family to us. We will always host gratitude to have known you at all. We bless your soul and pray for your sons and all of your grandchildren with faithful hearts. As you rest in the peace of the Lord. J. Jones (Suga) & Family*
