“ *To the Black Family: We are sorry to hear about the passing of Steven Black. Our thoughts and prayers go out to the family and friends this time of great sadness. Please draw comfort from this loving promise where God is telling all family that our love ones will live again. (John 5:28-29) Yes, that Steven and a host of others will have their lives restored back to them. Can you envision this arrangement taking place? Can you envision the earth now becoming filled with those who have fallen asleep in death? Oh how the sound of joy and laughter will fill the whole earth. Yes we understand how many will have a lack of faith in this arrangement. So God has taken the time to preserve nine accounts in the Bible that speaks about this grand provision. Here is just one such example that is recorded at John 11:32-44. I hope that all will get a chance to see how these verses apply to Steven, and to a great host of others who await their personal resurrection from God. In closing we say please keep this promise of God near your heart at all times. Remember that when God makes a promise, it becomes a reality. For it is impossible for God to lie. (Titus 1:2)*
