“ It's hard for me to believe you are gone! I feel the loss when I think
of you! You were kind and good hearted! I remember the first time I
looked into your eyes as an infant and held you. You would smile
that same big smile I will always remember. You will be missed!

“ While the loss is painful to learn of, seeing his smile once more was so very nice. That smile was one of the best memories of him I had. He was a nice kid when I knew him and his megawatt smile tickled me. Rest well until the trumpet sounds to call us all home.
