“ I know Mr Terren from work he used to work with us in Whole foods market gateway Austin Texas. He was a great humane being. One time I was few dollars short on money for groceries he just paid for it, and I am not the only one he helped several people all the time. I can never forget him. Anywhere I look in the store I see him. May he rest in paradise. And to his family please accept my condolences and I pray to God to give you all strength to tolerate such a pain 🙏
