

Ms. Theresa Greene

August 14, 1950 - April 27, 2026

Theresa D. Greene was the daughter of Arthur I. Greene, Sr, and Willow D, Greene. She was born in Columbia Mo. As a child, her favorite times were spending the summers at grandmother's house in the country.

In Kansas City Mo., she attended Westport High School and later the Kansas City, Mo. Junior College. After which she worked as a home health aide.

She faced emotional challenges throughout her life. Yet she was always kind towards others. She loved holiday dinners. She would always be on her best behavior for those. Her greatest achievement was 5 years of independent living before illness overtook her. Her wish would be that everyone get their health screening- before it is too late.

She is survived by her brothers, Avery Greene, and Arthur Greene, Jr. Also, by her aunt Wanda Leach and a number of cousins.

After cremation, her ashes will be spread in the rose garden at Unity Village, Mo.
