

Mr. Timothy L Rich

February 29, 1972 - March 11, 2022

Obituary

Mr. Timothy L. Rich (50) was born February 29, 1972 to Mr. Samuel (Norian) Reese and Ms. Daphne Rich. He was preceded in death by his internal grandparents, Mr. Spurgeon and M. Cora Guice, external grandparents, Mr. Samuel, Sr. and Mrs. Marie Reese, mother, Ms. Daphne Rich and second mom, Mrs. Norian Reese, brother, Oesha Reese and a host of other aunts, uncles, nieces, nephews, cousins. Well Loved!!!

Timothy received his education in Kansas City, Missouri school district at Lillipop Land Day Care Center, Faxon Elementary, Mary Harmon Weeks, Martin L. King Elementary. Later went on to Westport Junior and Westport Senior to graduate. He furthered his education by enrolling in Kansas Community College and onto Kansas University where he acquired his Bachelor of Science in account, Certified Public Accounting (CPA). Which landed him with the job he was satisfied with at the end of his life in his last ten plus years.

Timothy enjoyed watching and commentating football or basketball games. Tim was the type of man that always made sure he was well groomed and dressed and exercise while eating healthy meals daily. He always made arrangements to spend some time with family and friends whom he loved. He stayed active and true to his successes in Christ. Timothy definitely loved the

holidays and the festivities. He would make sure he prepared the turkey and no one else. If you spent time with Timothy one-on-one, it was as if more knowledge revealed itself to you listening to how he spoke (gentle) while you stand next to a big, tall cuddly bear and more. Some people who came across his path did not know rather to stand guard, run or whatever that first impression of him was until they begin a conversation with him you would be allured with his presence, words and smile. That "Smile" never disappeared from your fist meeting with Timothy. His three vices were his making/writing music, his cars and his money. He didn't Play around!!!

Timothy grew up Baptist (Ward ME Chapel) of Kansas City, Missouri. As he journeyed through this world, he met many stumbling blocks that tried to detour and destroy his soul. He found his fighting skills in the Lor to withstand the devil's fiery darts which brought on his internal instincts viewpoint to let people be themselves. He continued prospering forward in his life to reach his goals that was ordained by God, Himself. You never saw a day that he was mad, sad or angry. He would always have a huge smile on his face. He handled his problems quietly with the Lord to face another day. His life before and after Christ is what built him up for who he was on earth

“ *I am not sure if this is the Tim Rich that was a student at Westport
High School during the last part of the 1980s and first years of
1990s. Tim Rich was an exceptional young man. He was the
epitome of gentleman and was so smart. He was a credit to
Westport High School and to Kansas City. Sad this fine young man
has passed. I was a former teacher at Westport High School, Rose
