“ My sentiments and condolences are with the Shelby family. You all are in my prayers each day. Although there will be moments of mourning, grieving and tears, we will miss Tyneisha's presence. Our memories of her will keep her alive in our hearts. I told my children that Tyneisha, aka Nee Nee, was my baby before I conceived them. She was of such adoration at the age of 4 months. I fell in love with this beautiful baby in 1986. I wanted to take her home with me so I could show her off to my mother and brothers. She's been my baby love ever since. May her beautiful soul rest in peace. Nee Nee, you are home now. I love you my sweet niece.
