“ Your memory and love will remain in our hearts and souls forever. Rest well in perfect peace daddy. Miss you, Danielle & Miori

“Grief, I've learned , is really just love. It's all the love you want to give but cannot. All that unspent love gathers up in the corners of your eyes , the lump in your throat, and in that hollow part of your chest. Grief is just love with no place to go.” - Jamie Anderson

“ Deacon Green will be missed. He was a smart man, a giving man who was supportive and dependable. If there was something needed at the church, he never hesitated to step up to the plate. Again he will be greatly missed.
