“ To the Howard Family I would like to take this time to express my personal condolences to the Howard Family. Our thoughts and prayers are with the family and friends during this time of great sadness. Yes this is a time when great pain and suffering will be experienced by many. During this time there will be a need for all to be on the receiving end of getting words of love and encouragement from others. I know that all will be there for you. We must also remember that God will also be there for us. Even today as in time past He has been there for us. Especially when we lose someone in death. So on days like this God continues to provide true words of comfort to all those who are grieving at heart over the lost of a love one or friend. To the Howard family and other families of the earth God makes known this loving promise. From the scriptures God states that He would call to those in the grave, and that our love ones would hear His voice and stand up in life again. (John 5:28-29) From this one text alone, God is giving us His personal guarantee that our departed love ones will stand up in life again. That they would be reunited back with their many family members and friends. Yes all can draw true comfort from this wonderful promise from God. Just think, soon the earth will be filled with the sound of joy and laughter as our departed love ones have their lives restored back to them. Indeed this promise of God will provide great comfort for all. To help all to have strong faith in this future promise, God has preserved nine accounts in the Bible that speaks about his grand arrangement soon to take place earth wide. Here is just one such example that is recorded at John 11:32-44. I would like to take this time to encourage all to see how the verses apply to Willie, and to the billions of others who await their awakening from the deep sleep of death. So may all please keep these words of God near your heart at all times. Remember that we have God's personal promise or guarantee that life will be restored back to many. Yes when God makes a promise, it always becomes a reality. For it is impossible for God to lie. (Titus 1:2)
