“ I just learned of your passing. I only name I knew you by was "Bunchy" I was a 16 year old girl homeless and living on the streets in KCMO. I was walking down a street early on a wintry morning hungry and cold. You were driving by, then you stopped backed up and told me to get into your car. Now, I know you were only two years older than me. I got into your car and you took me to your house there, you feed me got me warm. You contacted your brother, Eddie and he came over and you both took me to your aunties house on 25th Olive and her name was Mrs. Fox. I always wanted to thank you Bunchy for what you did for me. I always thought of you has my guardian angel. If the Lord had not sent you my way on that day I don't know if I would be alive today. You will always be my guardian angel.

Thank you, for my life. R.I.P. Bunchy (my guardian angel)
